CALLING ALL FAITHFUL WOMEN!

TEACH OUR CHILDREN TO BE BRAVE

SEPTEMBER 20 – 29

Our homes are more than walls and furniture. They're where we raise children, nurture friendships, share meals, and pass on the values that make life worth living. And right now, those values are under fire. In a culture that feels more hostile by the day, how do we equip our kids with the courage to bear witness to Christ?

From September 20–29, join women across the country in praying boldly for the children of this great nation. We will ask St. Michael to guard our homes and inspire our children.
